Dear Mr. and Mrs. Devlin,

I would like to thank you for your generosity in helping to make my Colgate experience possible through the Delta Kappa Epsilon Endowed Scholarship. I am a sophomore, political science major from Pleasantville, New York, and I have one brother and two sisters.

During my time at Colgate, I have become involved in many activities and have truly become part of the community. I joined the Phi Kappa Tau fraternity this year and I am currently serving as the social chair. As the social chair, I am responsible for organizing various charity events and mixers with the sororities on campus. Serving as the social chair has given me valuable experience managing a rather large budget and communicating effectively with large groups. I have very much enjoyed serving as the social chair and becoming part of the Phi Kappa Tau brotherhood as it has really made Colgate feel like home.

In addition I am a member of Let's Get Ready, an organization that provides SAT tutoring for local high school students. As a member of LGR, I have worked to assist students with the critical reading section of the SAT. Participating in LGR has been an extremely rewarding experience that has given me the opportunity to make a real difference in the lives of the high school students.

All of these wonderful opportunities would not have been given to me without your support and for that, I thank you.

Sincerely,  
Jack Crowe
